uncovers a connection between a macedonian funerary sculpture found in the foundations of the basilica di san marco in venice and the sarcophagus of an egyptian pharaoh shipped to london from alexandria in 1801 traces their trails to show that both seem to come from alexander s tomb in alexandria now it is revealed that the sculptural relief was fitted to the sarcophagus confirming the theory the author writes when i embarked upon the deck of this odyssey it seemed to me that shipwreck was my eventual destiny but now beyond the raging roiling sea i have glimpsed the shore of verdant valinor unveiled before me though i may yet come to grief upon some reef washed by waves of disbelief i voyage on to vindication my vessel s ordained destination with greatness grazing on the verge of rediscovery we may surely see the resolution of this mystery so let my sail now be unfurled to catch the wind and win the world alexander s long lost legacy the parted parts of his shattered tomb and battered body

in the art of needle work from the earliest ages sutherland menzies presents a comprehensive exploration of the history and techniques of needlework weaving together the artistic cultural and technical aspects of this enduring craft written in the mid 19th century the book reflects a victorian preoccupation with craftsmanship and the revival of traditional arts employing a detailed narrative style that is both informative and engaging menzies meticulously documents various needlework styles providing insights into the evolution of the craft across different cultures and epochs highlighting its significance not only as a practical skill but also as a form of artistic expression menzies active in a period marked by significant shifts in gender roles and artistic appreciation draws from his extensive experience in textile arts to infuse his writing with authority and personal insight his work emerges against a backdrop of the burgeoning arts and crafts movement which advocated for the value of skilled handwork in an increasingly industrialized world menzies champions the importance of preserving traditional techniques while also encouraging innovation and individual expression in needlework this book is an essential resource for scholars textile enthusiasts and hobbyists alike it serves not only as a historical reference but also as a source of inspiration for contemporary artisans seeking to

connect with the rich tapestry of needlework tradition menzies' work combines scholarly depth with practical guidance making it a must read for anyone interested in the artistry and significance of needlework

in jesus and the gospels new testament scholar craig blomberg immerses the reader in the historical and cultural world of gospel narratives for them to better understand and appreciate their focal point jesus of nazareth

first published in 1987 this is a critical edition of the 1647 text by the scottish author alexander ross which offered the renaissance reader not only a wealth of factual information concerning the gods goddesses heroes and monsters of ancient myth and legend but also served as a treasury of interpretation and commentary

ingeniously explaining the facts in terms moral theological historical and scientific

part memoir part family history part meditation on history and the present this work of creative nonfiction allows jeff gundy to ask what it should mean to live in the world but not of it as the traditional mennonite saying recommends as scattering point moves through time and space it repeatedly questions how a modern assimilated mennonite poet and professor might live with some kind of fidelity to his tradition and to the promises and griefs of contemporary life scattering point takes its title from scattering point creek which has its source on the author s family farm in illinois this book explores that place while also ranging widely from it and the amish and mennonites who have been associated with the area for nearly the last century it traverses the illinois prairie to churches and caves in europe and incorporates family stories soil geology the architecture of cathedrals and churches reflections on depression and mennonite martyrdoms and schisms scattering point speaks of the great questions of history and religion the quiet lives of amish and mennonite men and women whose histories are almost forgotten and of our lives today readers of all backgrounds will see something of themselves in jeff gundy who writes i must admit it i do love this world and many though not all of the things in it and whose quest is always for understanding that will allow us to go back into the world more able to undertake the difficult work of loving it as we should

the latest edition of this popular volume has been fully updated throughout to meet the needs of the 2018 nmc standards of proficiency richly illustrated throughout the book comes with real life case studies to help readers contextualise and apply new information pathophysiology to explain disease processes enhanced discussion of pharmacology and medicines management to assist with prescribing readiness and helpful learning features which include key nursing issues and reflection and learning what next available with a range of supplementary online tools and learning activities alexander s nursing practice fifth edition will be ideal for all undergraduate adult nursing students the trainee nursing associate and anyone returning to practice new edition of the uk s most comprehensive textbook on adult nursing retains the popular three part structure to ensure comprehensive coverage of the subject area common disorders core nursing issues and specific patient groups illustrative a p and pathophysiology help explain key diseases and disorders real life case studies help contextualise and apply new information explains relevant tests and investigations and when needed the role of the nurse in the context of each of them helpful learning features include key nursing issues and reflection and learning what next encourages readers to critically examine issues that are related to care provision useful icons throughout the text directs readers to additional online

as the oldest of the highland regiments the black watch has an enviable roster of battle honours and a mystique born of repeated service on behalf of king queen and country on the strength of her acclaimed biography of field marshal earl wavell the regimental trustees commissioned victoria schofield to write this the first volume of her magisterial history of the the black watch and have fully cooperated with her as she traces the story of the regiment from its early 18th century beginnings through to the eve of the south african war at the end of the 19th century originating as companies of highland men raised to keep a watch over the highlands of scotland they were formed into a regiment in 1739 its soldiers would go on to fight with extraordinary bravery and élan in almost every major engagement fought by the british army during this period from the american war of independence the peninsular wars waterloo the crimea indian mutiny to egypt and the sudan drawing on diaries letters and memoirs victoria schofield skilfully weaves the multiple strands of this story into an epic narrative of a valiant body of officers and men over one and a half centuries in her sure hands the story of the black watch is no arid recitation of campaigns dates and battle honours but is instead a rich and compelling record of the soldier s experience under fire and on campaign it is also a celebration of the deeds of a regiment that has played a unique role in british history and a vivid insight into the lives of the many remarkable figures who have marched and fought so proudly under its colours

although he has long been known primarily as the object of søren kierkegaard s disdain hans lassen martensen 1808 84 was a celebrated figure in his own time recognized as a brilliant scholar and highly successful churchman martensen worked

in a number of different areas of theology and philosophy producing an impressive literary corpus over a period of several decades his authorship is remarkably varied including philosophical treatises theological tracts sermons eulogies book and theater reviews as well as polemical and occasional pieces during his lifetime he saw his works translated into german swedish english french hungarian and dutch these works were widely read and frequently reprinted in numerous editions throughout the second half of the century it is unfortunate that to international research he was known for many years only as a central figure in kierkegaard s attack on the danish state church br br in the past few decades there has however been a renewed appreciation for martensen as an important thinker in his own right the present anthology attempts to bring together the works of the leading danish and international scholars responsible for this recent surge of interest br br in order to capture the different aspects of martensen s thought the volume has been organized into three main rubrics i theology ii philosophy and iii politics and social theory collectively the articles featured here treat martensen s main works from his dissertation on the autonomy of human self consciousness in 1837 to his monumental three volume christian ethics from the 1870s the authors demonstrate that the problems critically addressed by martensen in the danish golden age are still very much with us today in the twenty first century br br b jon stewart b is associate research professor at the søren kierkegaard research centre at the university of copenhagen

the ninth edition of plumer s principles and practice of infusion therapy provides clear concise coverage of basic and advanced infusion procedures rely on this new edition for the most current coverage of intravenous therapy function procedures standards and equipment along with practical new features and emphasis on safety considerations as well as evidence based practice the book begins with an overview of iv therapy including how to minimize risk and enhance performance and then addresses assessment and monitoring clinical decision making patient specific therapies and infusion therapy for children the elderly and across the continuum of care

from tottel s miscellany 1557 to the last twentieth century oxford book of english verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry the importance of anthologies for creating and re creating the canon of english poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in britain or

elsewhere in the english speaking world this volume is the first publication to explore the largely unmapped field of poetry anthologies in britain essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web

how eighteenth century literature depended on misinterpretation and how this still shapes the way we read reading it wrong is a new history of eighteenth century english literature that explores what has been everywhere evident but rarely talked about the misunderstanding muddle and confusion of readers of the past when they first met the uniquely elusive writings of the period abigail williams uses the marginal marks and jottings of these readers to show that flawed interpretation has its own history and its own important role to play in understanding how why and what we read focussing on the first half of the eighteenth century the golden age of satire reading it wrong tells how a combination of changing readerships and fantastically tricky literature created the perfect grounds for puzzlement and partial comprehension through the lens of a history of imperfect reading we see that many of the period s major works by writers including daniel defoe eliza haywood mary wortley montagu alexander pope and jonathan swift both generated and depended upon widespread misreading being foxed by a satire coded fiction or allegory was like wordle or the cryptic crossword a form of entertainment and perhaps a group sport rather than worrying that we don t have all the answers we should instead recognize the cultural importance of not knowing

widely adopted this valued course text and practitioner guide has expanded the understanding of family normality and healthy functioning in our increasingly diverse society the editor and contributors are at the forefront of research and clinical training they describe the challenges facing contemporary families and ways in which clinicians can promote resilience with consideration of sociocultural and developmental influences chapters identify key family processes that nurture and sustain strong bonds in couples dual earner divorced single parent remarried adoptive and kinship care families gay and lesbian families culturally diverse families and those coping with adversity such as trauma ÿ poverty and chronic illness ÿnew to this edition reflects important research advances and the changing contexts of family life additional chapter topics kinship care family rituals evidence based assessment and neurobiology all chapters have been fully updated
