from the bestselling author of *Killing Kryptonite* and *The Bait of Satan* comes the newly revised edition of John Bevere's classic *Under Cover*. This impactful examination of leadership and authority will answer questions like: Ever wonder how to respond to a difficult boss? Why should you listen to them in the first place? What does God want me to understand about authority? By teaching us how to properly relate to leadership, John shows why living under authority is better than we think. The truth is, we will all one day have to follow the leader, whether at school, at work, in the military, or even in the national political arena. The question of who will lead and who will follow is constantly before us; your response will determine your future.

Most people would be left destitute if they planned their futures as carelessly as they've prepared for eternity. Drawing on the principles in 2 Corinthians 5:9-11, John Bevere reminds us that all believers will stand before God and receive what they have earned in life. In building their lives to be ready for that day and maintaining an eternal frame of reference, readers will develop significant lives in keeping sight of the goal. Readers will learn to labor for rewards that endure for timeless eternity.

Through personal testimony, biblical accuracy, and practical guidance, readers will be inspired to live a life of spiritual vigilance as they prepare for the glorious return of our King. If Jesus were to return tomorrow, would you be ready? In *The King Is Coming*, John Bevere discusses why the second coming is both relevant and critical for the Christian faith.
